

REMARKS

On June 17, 2008, the Board of Patent Appeals and Interferences entered a Decision in Appeal 2007-3629. According to that Decision, the rejection of claim 37-39 under 35 U.S.C. 102 was sustained, the rejection of claims 1-11 and 13-36 under 35 U.S.C. 102 and 103 was reversed, and a new rejection was made against claims 1, 21 and 27 under 35 U.S.C. 112.

In response to the outstanding rejections, Applicant has amended many of the pending claims to clarify the limitations of the claims. Although the claims vary in scope, many of the amendments are intended to clarify the roles of a server hosting a Web page, a captor computer running a web browser, and a communications terminal having an electronic telephone directory. In particular, claim 27 is now clearly directed to a singular program product located on the computer with a browser. Claims 11, 12, 17, 28-30 and 38 have been canceled.

The Applicant requests entry and consideration of the foregoing amended claims. In the event there are additional charges in connection with the filing of this Response, the Commissioner is hereby authorized to charge the Deposit Account No. 090447/AUS920010511US1 of the firm of the below-signed attorney in the amount of any necessary fee.

Respectfully submitted,

/Jeffrey L. Streets, #37,453/
